**Nathan:**

He is a super awesome Kid. He came to the Children's Home at 5 months old due to his mother having congestive heart failure. She wanted badly to continue caring for him but was put on hospice, and she then asked the Children's Home to care for her little boy.

Joel and I have already developed a tight bond with this kiddo, and you'll often find him hanging on my arm or following us around. He's incredibly curious and inquisitive!

He's always asking questions and seeking new knowledge. He wants to be a missionary when he grows up because "he just wants to tell people about God!"
